

2015 Annual Pass Youth Art Contest

Our 50th birthday isn't until 2015, but we are starting the celebration early. To commemorate this special event, we want to feature student artwork on our 2015 Annual Park Pass!

We are asking that young artists from kindergarten through twelfth grade create and submit original, colorful artwork depicting the natural resources that are preserved and protected within the boundaries of the national seashore. The first place winning entry will be used on the 2015 annual park pass!

Entry Guidelines

Each entry must include colorful artwork depicting the natural resources protected within the boundaries of the national seashore. The black band (above) will be added to the left hand side of the artwork. The design will be printed on a 4" x 2" plastic card; art with fine detail will not reproduce well. Artwork submitted digitally must be submitted in a high quality digital format such as a .jpeg or .tiff file. They must be 300DPI and 3MB or less. A completed entry form (below) must accompany all submissions. Entries being made by a student under the age of 18 must be signed by a parent or legal guardian. **All entries are due Monday, October 27, 2014.**

Judging and Prizes

Entries will be judged on design and accuracy of a scene that celebrates the seashore's natural resources. Entries will also be judged on originality, composition and use of color.
